

OMM Solutions GmbH is a holistic digital transformation partner for medium and large sized companies. Our goal is to find, develop and provide intelligent solutions in the fields of education, innovation and technology. We are based in Stuttgart but interested in projects all over the world.

We are hiring:

(JR.) DIGITAL BUSINESS CONSULTANT (Fulltime)

Your Profile

- First practical experience in the consulting sector, IT service industry or the startup scene
- Affinity for digital technologies and innovation management
- Analytic competence and familiar with data collection and data evaluation

Bonus

- Method knowledge in agile project management and digital product development
- Interested in industry trends such as Industry 4.0, LegalTech, EdTech, PropTech, CareTech, AgTech, FashionTech, etc.

What you'll be doing

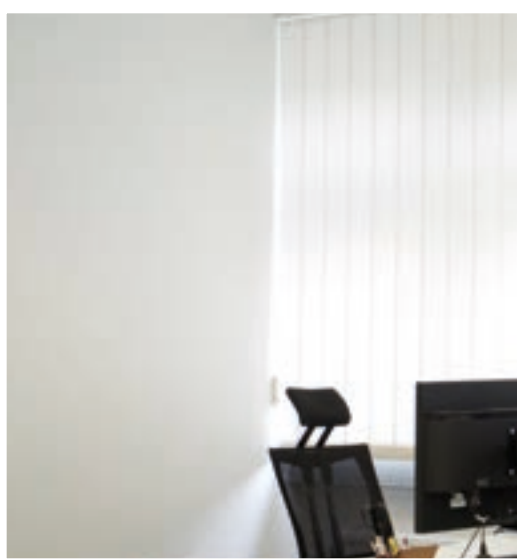

- Support in digital customer projects (B2B and B2C)
- Market research (with focus on customers and competition)
- Content conception and creation of customer presentations

What you get

- Exciting projects with modern technologies
- Mentoring by experienced consultants
- The latest gadgets to play around
- Work-Life-Balance is part of our culture
- Steep learning curve
