

OMM Solutions GmbH is a holistic digital transformation partner for medium and large sized companies. Our goal is to find, develop and provide intelligent solutions in the fields of education, innovation and technology. We are based in Stuttgart but interested in projects all over the world.

**We are hiring:**

## **DIGITAL PRODUCT MANAGER** (Internship m/f/d)

### **Your Profile**

- You gained first practical experience in (digital) product or project management
- You have an understanding for modern performance marketing (landing pages and/or web-metrics) (i.e. Google Analytics)
- You have good communication skills, as well as an affinity for digital trends & innovations

### **Bonus**

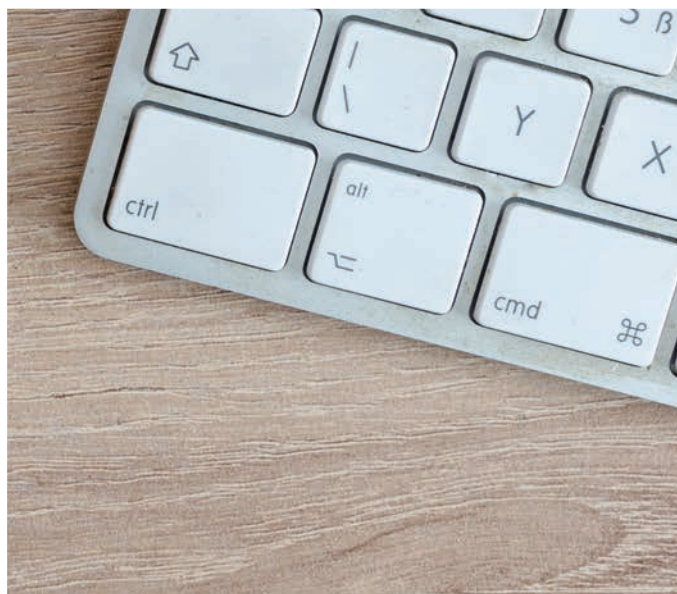

- Experience with Confluence or Jira or similar project management tools
- You know that details matter but you do not get lost in them

### **What you'll be doing**

- Management and support of digital product marketing (i.e. AdWords Campaigns, Landing Pages)
- Identifying as well as pre-evaluating ideas and digital products
- Marketing and support of our digital product Testrec (<https://testrec.com/>)

### **What you get**

- Hands-on and practical experience in exciting projects with modern technologies and a steep learning curve
- Mentoring by experienced consultants

**Interested? Please send your CV to:**
